FAMOUS DANCER BORN IN APRIL

Ann Miller
Born April 12, 1923 in Houston Texas

Ann Miller was an American actress and dancer. She is best remembered for her work in the classical Hollywood cinema musicals of the 1940s and 1950s.

Ann was famed for her speed in tap dancing. Studio publicists drafted press releases claiming that she could tap 500 times per minute. But because the stage floors were waxed and too slick for regular tap shoes, she had to dance in shoes with rubber treads on the soles. Then, like all other film dancers of the time she would then loop or 'dub' the sound of the taps while watching the film and dance on a "tap board" to match her steps in the film.
